

Clip-Seam Pipe

**GSPS042430, GSPS052430, GSPS062430,
GSPS082430, PPS04430, PPS05430,
PPS06430, & PPS08430**

Made from 30 gauge galvanised steel, the unique clip-seam has a smooth internal finish for maximum airflow efficiency. Both seams connect together at one end and work up the length to form a solid pipe. Crimped end offers a male connection to pipe or ducting.

Key Benefits

- All have snaplock seam to close pipe
- General purpose dryer venting, bath & fan venting

610mm Length

Model No.	Description	Diameter (mm)	Length (mm)	Packaging
GSPS042430	Clip-Seam Pipe - Galvanised Steel	100	610	Loose
GSPS052430	Clip-Seam Pipe - Galvanised Steel	125	610	Loose
GSPS062430	Clip-Seam Pipe - Galvanised Steel	150	610	Loose
GSPS082430	Clip-Seam Pipe - Galvanised Steel	200	610	Loose

1.2M Length

Model No.	Description	Diameter (mm)	Length (mm)	Packaging
PPS04430	Clip-Seam Pipe - Galvanised Steel	100	1200	Loose
PPS05430	Clip-Seam Pipe - Galvanised Steel	125	1200	Loose
PPS06430	Clip-Seam Pipe - Galvanised Steel	150	1200	Loose
PPS08430	Clip-Seam Pipe - Galvanised Steel	200	1200	Loose
